Gigabyte B450M MORTAR Motherboard specs: i7-9700k@f31a: Windows 7. Gigabyte GA78LMT-USB3 AMD Ryzen 3500 and GARDAI are investigating an incident which happened early on Saturday morning at a holiday home on the coastline in Co Waterford. Seven unsupervised young girls were staying at the property with their mothers but it is understood one of the mothers went out to collect wood and carrom boards for the daughters and did not return. In the early hours of the morning, one of the daughters woke up and as she walked into the kitchen to make herself a cup of tea she found the door had been left open. The girl then went to the garden to find the mother. The mother was lying on the floor with her legs spread out and she also had her clothes were she had bed. A number of empty bottles of wine and spirits were on the floor. It is believed there are two other young girls staying at the property. The girls are believed to be aged between 12 and 15 and it is expected they will return to Ireland on Sunday. A Garda spokesperson said: "A parent/carer was arrested on suspicion of wilful neglect and child abuse on Saturday morning.
